ABOUT THE SOUL-WINNING KAIROS INNOVATIVE LEADERSHIP & LEARNING SYMPOSIUM (SKILLS)

SKILLS is a Special Training Program On Practical Innovative Missions and Evangelism Strategies in Cities, Inner Cities, Towns and Villages geared towards the fulfillment of the Great Commission of Our Lord Jesus Christ In challenging times as these.

Insurgency, Economic Hardship, Challenges of Life and Persecutions have halted many Mission and Evangelism activities in both cities and villages. The more the delay or setbacks to reach out the greater the number of unbelievers, and backsliders who keep perishing without Jesus.

The SKILLS Training presents new, effective, and innovative approach to Mission and Evangelism that will help Missionaries and Ministries to thrive in the Business of Soul Winning. In these seven days of intensive SKILLS Training, we will train, and empower Missionaries, Ministers and Ministries with all it takes to keep winning souls, and advancing the Gospel of the Kingdom against all odds.

SKILLS is part of the Courses of the Faculty of Missions Empowerment Training (MET) of the ROYMMI School of Leadership and Ministry (ROSLAM). The Training is powered by the Royal Motivations Ministries (ROYMMI) in Partnership with the Hausa Christians Foundation (HACFO).

SKILLS GOALS

1. To translate Biblical Mission and Evangelism Strategies into Practical Skills in our present day time.
2. To help participants with innovative skills to keep winning souls irrespective of the current setbacks of persecution and terrorism that mission and evangelism activities suffer
3. Providing Innovative Training and Mentorship opportunities for Ministers, Missionaries and Ministries
4. To help Missionaries and Ministries overcome the challenges of soul winning especially in Northern Nigeria.
5. To empower ministries to ensure that every activities they engage in leads to Soul winning and points men and women to Christ.
6. To bring missionaries together to share their mission experiences in order to learn from each other and to foster partnership.
7. To Impart Grace upon all the Ministers for effective Ministrations of soul winning, their Calling and place of primary assignments.

SOUL WINNING ACTION TEAM (SWAT)

(SKILLS...Exalting Christ, Equipping the Saints, Evangelizing the Lost)

The SKILLS Soul Winning Action Team is designed to fulfill the utmost priority of the Church, which is the Great Commission given by our Lord Jesus, to go out, seek the lost, and make disciples. It is with compassion that we have committed our lives to reaching out to our communities, and reclaiming those that are spiritually wounded, battered, sick, discouraged, and those that have lost hope and are ignorant of God's love and success for their lives. Our primary goal is to develop leaders who will impact our communities, and provide hope as we help transform lives.

Our mission is to minister to the people who are hurting and to help them achieve wholeness. SWAT is the implementation initiative of the Soul-winning Kairos Innovative Leadership and Learning Symposium (SKILLS) of the Faculty of the Missions Empowerment Training of the ROYMMI School of Leadership and Ministry, and we are very determined to bring people to Christ.

SWAT aims to bring and raise disciples across board irrespective of denomination with a common goal of fulfilling the Great Commission of Our Lord and Saviour Jesus Christ in action.

Starting from our Jerusalem (Ungwan Boro/Sabon Tasha Axis), to achieve our mission, the S.W.A.T. focuses attention on the following Monthly outreaches in Cities and Inner Cities:

- 1) **Believers** (Christians) – to remind and challenge them about their assignments and thereafter recruit them back to the army
- 2) **Unbelievers** – to Lead them to Christ, disciple them and recruit them or send them to go

SWAT STRATEGIES

- 1) **The Harvest** (To seek out those who are lost in our neighboring communities)
 - a) Door- to- Door and Street Evangelism
 - b) Markets and Sports Areas
 - c) Inner cities Mission to Community Crime Areas (Flashpoints Crusade)
- 2) **Discipleship** (Enlisting, Empowering and Sending them back into the harvest field thereby raising more Labourers for the Harvest)
